Amerimax Home Products, Inc. ("Amerimax") hereby provides this limited warranty for DrySnap® Under-Deck Drainage Ceiling products manufactured or supplied by Amerimax, which products are referred to herein as "DrySnap®" or "DrySnap® Products" or "the Products." DrySnap® is an under-deck water drainage system designed to collect and divert rain water to a user specified location in residential and light commercial settings.

What does your warranty cover?

- Any defect in DrySnap® materials or workmanship that arises during the term of this warranty.

What is the duration of your warranty?

- Ten (10) years from the date of original consumer purchase, provided that this Warranty is registered with Amerimax within thirty (30) days after the date of original consumer purchase. The Warranty Registration Card is attached to the bottom of this Warranty.
- This Warranty terminates automatically upon the transfer of DrySnap® Products to any individual or entity other than the original consumer purchaser.

What will we do?

- Repair or replace, at Amerimax's option, defective DrySnap® Products, at no expense to you, within a reasonable time after we receive your claim that the Products are defective. Original DrySnap® Products replaced by Amerimax become property of Amerimax.
- Any repaired or replaced DrySnap® Products are warranted under the same terms as this Limited Warranty for the remainder of the ten (10) year warranty period on the original Products.

How do you obtain warranty service?

- Proof of original consumer purchase of the DrySnap® Products may be required in order to validate warranty eligibility. If the DrySnap® Products require repair or replacement, you may receive instructions on how to ship the defective Products, at your expense, to Amerimax or the location of the nearest Amerimax Authorized Service Provider. If the DrySnap® Products are not insured and they are lost or damaged during transit, you are responsible for such loss or damage.
