

New Tech Machinery

Introduces:

The Gutter evolution starts here  
...don't get left behind!

## Introducing GutterArt™

New Tech Machinery, home of the world's finest portable rollforming equipment, revolutionizes the industry again by introducing GutterArt™

### GutterArt™ is:

- Exclusively offered through New Tech Machinery
- Available for 5", 6" and combo MACH II machines
- Classic crown moulding look for outside of a home

### GutterArt™ benefits:

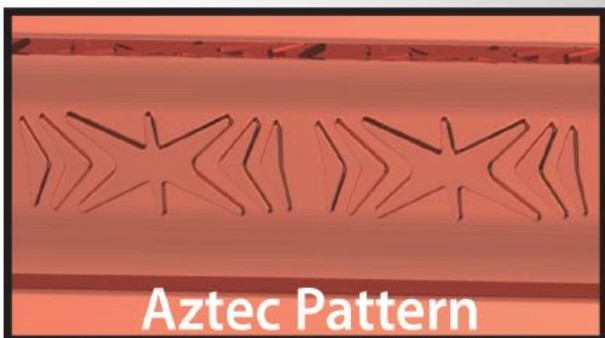

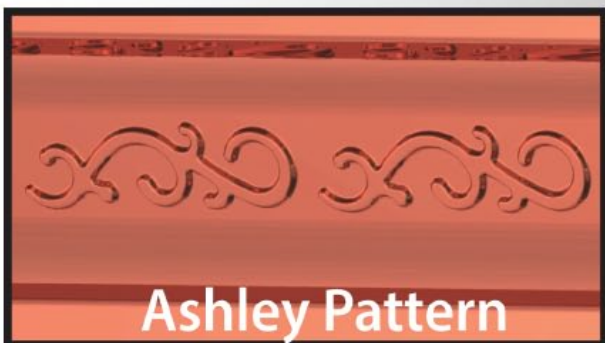

- Increases profits for any contractor offering it
- Increases property value and curb appeal
- Embossed gutter is more rigid- easier installation

Have a pattern in mind?
