Outdoors In*

SCREENEZE®

SCREENEZE® is a patented fixed screen system. SCREENEZE® features an aluminum base and a vinyl cap which are snapped together and attached to your screen porch. SCREENEZE® can be installed on the inside, outside, or center of your porch post and rail design. SCREENEZE® is available in White, Sand, and Bronze in 8' and 12' lengths.

SCREENEZE® Benefits:

- Eliminate CALLBACKS
- 10 year limited warranty
- No staples
- No splines
- System stretches screen for you
- Exceed current standards for screen porch openings
- Eliminate posts
- Screws included
- Simple to install and simple to repair
- Installs using variety of screen fabrics

SCREENEZE® Durability By Design

The Innovative SCREENEZE® design is stronger and more durable than current screen systems. The SCREENEZE® system maintains the screens integrity.

67 pound bucket placed on the screen panel for 21 days...then removed

72 hours later the screen is restored with no adjustments or repairs required
